

Action Pistol Match – July 23, 2017

We had a warm time this past Sunday....or at least that's what I heard... I was under the shelter running the moving target.....

We had a couple of things worth mentioning at this months match.....

One was the battle between Wilton Deets (a newly crowned Ninja Master IDPA shooter) and Ninja Master Wannabe Todd Barber....Both shot the Full 25 yard match on the mover and the Wannabe Barber prevailed with a 434-17X to Master Deets 353-5x.....Deets blamed the loss on something but you know how it is "**One excuse is as good as another**" (a Dick Holliday quote).....

As far as I know we've never had three generations of a family shoot the same match before so the Dempsey Family may be the first....Our member Kevin Sr, his son Kevin Jr, and his son Sean shot both matches.....My Iphone turned it into a Kodak moment that will live forever.....

You may want to come to next months match as that Famous Gunslinger Dick W. Holliday is rumored to be in attendance.....

Scores went like this
