

Action Pistol Scores – September 2017

I said it was going to be a "Hoserama" and boy was I right... We had a bunch of guys shoot the mover and the plates with the pistol carbines and as you'll see below we had some good shoot'n..... Dick "Who's Ya Daddy" Holliday took on the Ninja Masters and Ninja Wannabes from Team Punisher and burned them a new one..... It's hard to beat the guy who has the score sheets after the match.....

Maybe next month we'll maybe have more 22 carbines and those should create some smoking scores.....

Be sure to show up next month for some more fun stuff....
