

ACTION PISTOL AUGUST 2018

We had a pretty day for the August monthly action pistol match....Team Punisher showed up with a contingent which made for a bunch of shooters....we had a few pistol caliber carbine shooters with Bert Winfield's score leading the pack....If you've got a pistol caliber carbine you should try this because you get to shoot as many times as it takes to knock down the 6 plates...what a hoot!!!

David Isley smoked the Mover Open class match with his sig 320 X5...

I didn't get to see it but it sounds like Mark Yandell tried to do a back flip off the pavilion slab at the plate match.....Last time i saw him he had ice on some injuries...but hey..... he shot anyway.....
