

Club Store Policy & Procedure

BGC provides an **Ammo, Component & Reloading Supply Store** with a minimum inventory purchased at wholesale and sold at cost to the members. The cost to members will include Tax and Shipping. Store openings and inventory, dates and times will be published via Email and the Bulletin Boards in the Main Club House and the Skeet Pavilion.

Access to our wholesale supplier is Crow Shooting Supply via of Gamaliel Shooting Supply. Website is: www.gamaliel.com. Please note the prices you see there are retail and the inventory does not reflect what is in the Salem warehouse. The Salem warehouse has more items and a better inventory than what you will find at Gamaliel web site. For now order what you want, I feel that we have 98% chances to fill what you order. **DO NOT** place an order direct because you will not get wholesale pricing and you will pay hazard fee.

All orders should be placed in the Club Store Boxes. There is a box in the Main Club House and a box in the Skeet Pavilion. Order forms can be down loaded for our website at WWW.buccaneergunclub.org.

Orders will be picked up once a week. When the orders are close to meeting the shipping quota, I will send out a closing date via Club email. At this time if you have placed an order earlier and need some thing else, fill out a second order form and I will combine them. You must fill out the top, so if I have any questions I will be able to contact you. When ordering please use the description and the code from the item that you are replacing.

Pick up orders will be announced of the date and time via Club email. It is **Mandatory** that you pick up your order at this time. If you are unable to make it you **must** arrange for some one to pick it up for you. Orders will not be delivered before the announced time.

All orders will be paid by check. We have a drive thru pick up at the new building. You will enter the new building on the left and exit on the right.

With these changes and help from you I hope to get the orders on a shorter turn around time. With your help by placing orders early, it will also help getting orders quicker.

How to order: Powder by the 1lb, 4lb or 8lb containers. Primers by the 1000 per box (1), Wads by the bag, Shot by the 25lb bag, Shot Gun Shells by the case (10box).
