

Club Store Policy & Procedure

BGC provides an Ammo, Component & Reloading Supply Store purchased at wholesale and sold at cost to the members. The cost to members will include sales tax. We do not pay for shipping or a HazMat fee. Store openings dates and times will be published via BGC email.

Access to our wholesale supplier is through Crow Shooting Supply. The website is: www.crowshootingsupply.com. Please use the **Factory Code Number** and their **Description** when ordering. The inventory you see does not reflect what is in their warehouse. Their warehouse has more items and a better inventory than what you will find at Crows web site. You are only using their website to get the **Factory Code Number** and **Description**, we cannot gain access to their inventory and pricing.

All orders must be on our **Club Form**, anything else will not be accepted. All orders should be placed in the Club Store Boxes. There is a box in the Main Club House and a box in the Skeet Pavilion. Order forms can be down loaded from our web site at <http://www.buccaneergunclub.org/BGCClubOrderForm.pdf>. You can also down load the form from the blue line on the Email notice.

Orders will be picked up regularly when the first Email notice comes out. I will publish via of email a closing date and time for orders. At this time if you have placed an order earlier and need some thing else, fill out a second order form and I will combine them. You must fill out the top, so if I have any questions I will be able to contact you. When ordering use the **Description** and the **Factory Code Number** on the Crow Web Site. If you use a **Wrong** code number you will have to take what you order and must accept the item.
